SUPPORT BEXLEY PTO!

What is PTO?

PTO stands for Parent-Teacher Organization, consisting of parents and teachers working together to support and enrich all students. Our objective is to provide our school with funds, programs, resources and services that will maximize the education of every child and benefit the school!

1. We need YOU!

2. It's rewarding!

3. It's a great way to meet other parents!

4. You'll get to know the teachers & staff

5. You will be better informed about school issues and activities!

6. Your child benefits. Studies show that when parents are involved it positively impacts their child's education!

7. You can make positive improvements at the school!

8. We are welcoming!

9. You can be as involved as you want to be. We understand that people have busy schedules and appreciate any time you can spare!

10. We have fun!

Who can be a member?

Every Bexley parent, family member, staff member, and teacher are welcome to join the PTO! This does not mean we expect you to volunteer or attend meetings. No commitment on your part unless you tell us otherwise!

We are simply here to help support the school and maximize your child's education and experience while attending Bexley Elementary!
